Dear Sir/Madam,

Fluorotechnics Rights Issue - Cleansing Notice

This notice is given by Fluorotechnics Limited ACN 099 098 192 (**Fluorotechnics** or **Company**) under section 708AA(2)(f) of the *Corporations Act 2001* (Cth) (**Corporations Act**) as modified by ASIC Class Order 08/35.

On 17 December 2009, Fluorotechnics Limited (**Fluorotechnics** or **Company**) announced a non-renounceable 1:5 rights issue of fully paid ordinary shares in Fluorotechnics at an issue price of \$0.30 per new share. Fluorotechnics shareholders registered at 7.00pm (Sydney time) on Wednesday, 30 December 2009 (**Record Date**) with a registered address in Australia or New Zealand will be entitled to participate in the Rights Issue (**Eligible Shareholders**).

The Rights Issue is fully underwritten by Hunter Hall Investment Management Limited (**Hunter Hall**), an existing shareholder of Fluorotechnics. No underwriting fees will be payable by the Company.

Eligible Shareholders may also elect to participate in the Shortfall Facility to apply for new shares in excess of their pro rata entitlement. The shortfall may also be placed with third parties at the Board's discretion.

The Rights Issue will raise approximately \$1.819m before costs, which will be used to strengthen the Company's balance sheet and fund ongoing sales and marketing costs.

In accordance with section 708AA(2)(f) of the Corporations Act, Fluorotechnics gives notice that:

- (a) the New Shares will be offered for issue without disclosure to investors under Part 6D.2 of the Corporations Act as modified by CO 08/35;

- (b) this notice is being given under section 708AA(2)(f) of the Corporations Act as modified by CO 08/35;
- (c) as at the date of this notice, Fluorotechnics has complied with:
 - (1) the provisions of Chapter 2M of the Corporations Act as they apply to Fluorotechnics; and
 - (2) section 674 of the Corporations Act;
- (d) as at the date of this notice, there is no excluded information of the type referred to in sections 708AA(8) and 708AA(9) of the Corporations Act as modified by CO 08/35; and
- (e) the issue of New Shares pursuant to the Rights Issue is not expected to have any material effect or consequence on the control of Fluorotechnics. If no New Shares are issued to shareholders under the Rights Issue other than Hunter Hall, then Hunter Hall and its associated entities will increase their total shareholding in the Company from 26.71% to 38.93%. Hunter Hall have indicated that it is their preference that the Rights Issue is taken up in full by all shareholders and its total shareholding does not increase above 26.71%. In the event that Hunter Hall's total shareholding does increase above 26.71% as a consequence of the Rights Issue, Hunter Hall has confirmed that, by acting as underwriter to the Rights Issue, it is not seeking to exercise any control over the Company, and does not intend for its increase in shareholding to have any material effect or consequence on the control of Fluorotechnics. If the Company becomes aware that these stated intentions of Hunter Hall have changed, it will ensure shareholders are fully informed, as required by the law.
